

## PREMIUM BASIC

Ideal for growing studios

### Your needs

- Due to the increasing number of customers, the administrative workload is accumulating.
- The administration of your studio becomes time-consuming and you wish for more efficiency.
- You need a member administration where you can enter data and bookings independently and adapt them flexibly.

**Product description:** The Premium BASIC offers a simple member administration and a straightforward booking system. You can keep an overview of your finances, offer your customers online payment options and optimize your digital presence. You save a lot of administrative effort and gain more time for your daily business and your customers. Our recommendation for growing studios.

**Cleverly combined:** Is often combined with the add-ons «Efficient holiday management», «Appointment scheduling» and «Integration with bexio».

### Everything from FREE

Digitalize your studio and benefit from an easy administration and clear finances.

### Save time

Manage your offer and your member data efficiently. With just a few clicks, you can save a lot of time in your everyday life.

### Optimize

Optimize your administration with features like online payment, waiting lists and direct messages.
